the following remarks.

CLAIM AMENDMENT

*Please cancel claim 11. Please amend claims 1, 34 and 53 as set forth below. A clean
copy of current pending claims is provided in Attachment A.*

1. (Amended) A construction panel comprising:
a plurality of peripheral frame members defining a rectangular frame;
a plurality of stud members extending from a first portion of the rectangular frame to an
opposite second portion of the rectangular frame, parallel to at least one edge of the rectangular
frame, and defining spaces within the rectangular frame, wherein the spaces within the
